

Clown Fish

How Big Are They?

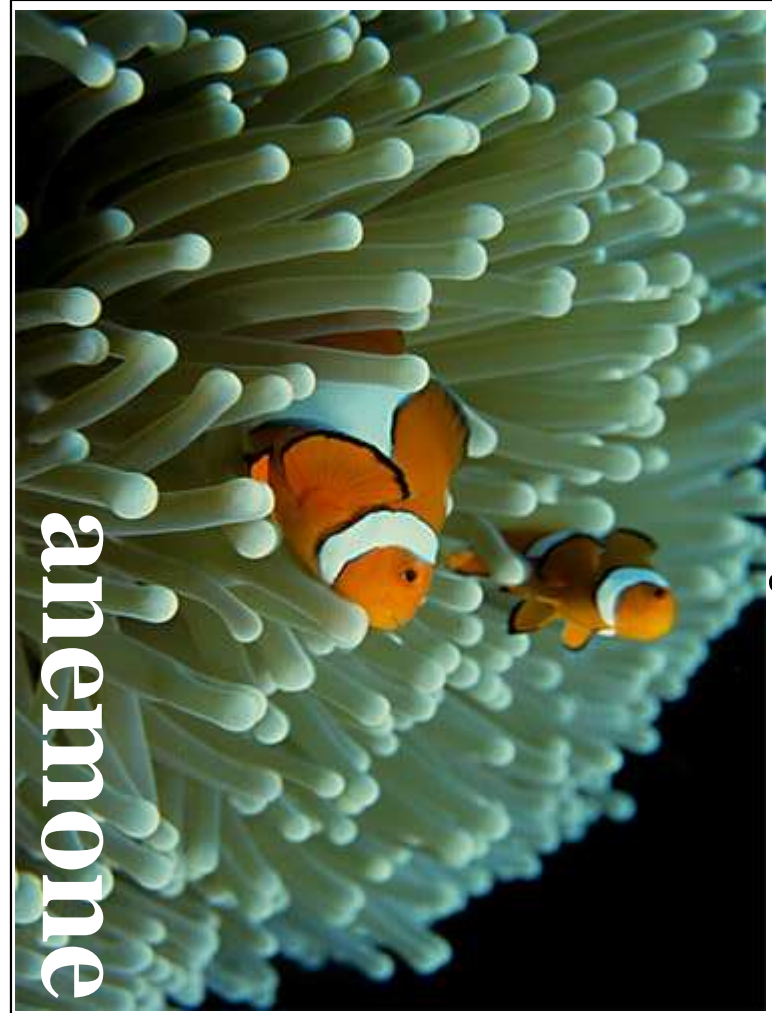

_____ goldfish or

2 Inches

_____ goldfish, or 5 Inches

anemone

Where do they live?

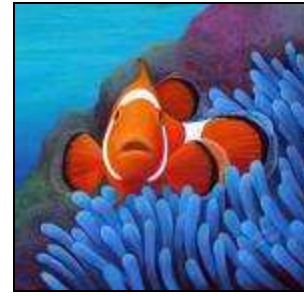

New Words:

Anemone: Where the clown fish lives

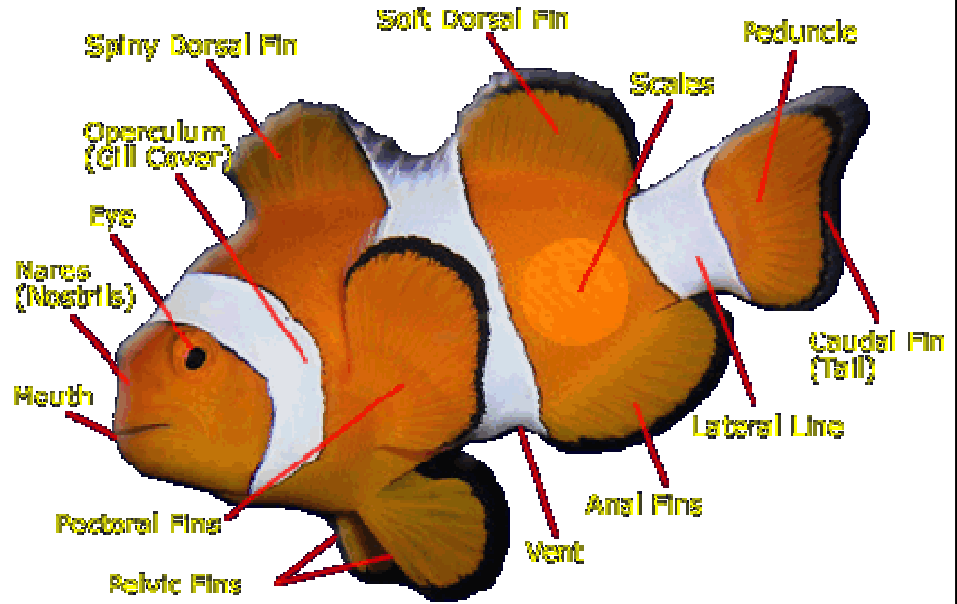

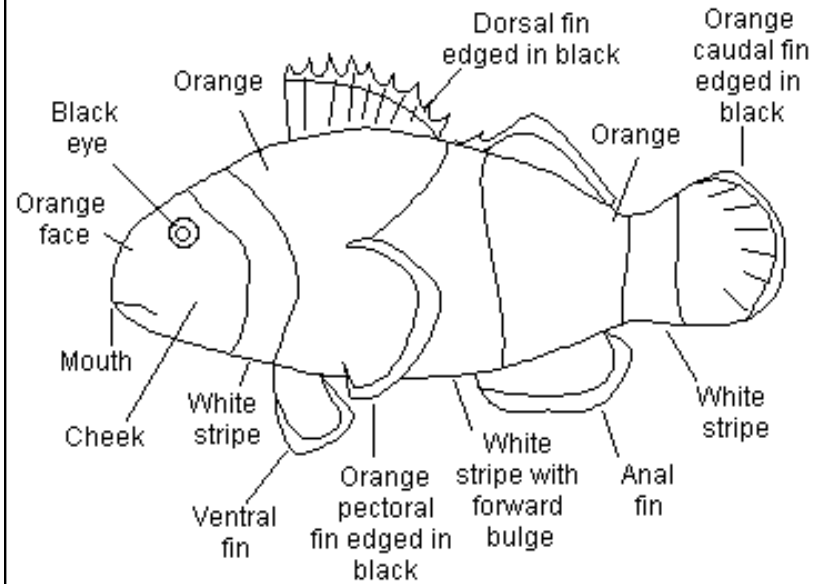

Coral Reef: Large animal made city

Fin: Helps them swim

Gill: Helps them breathe

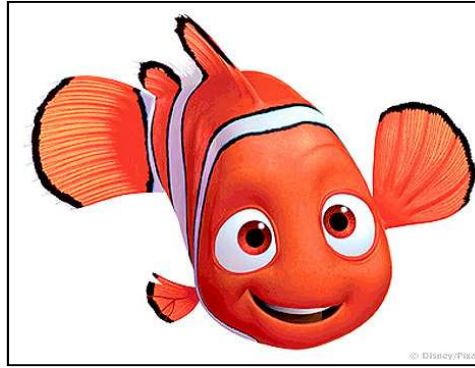

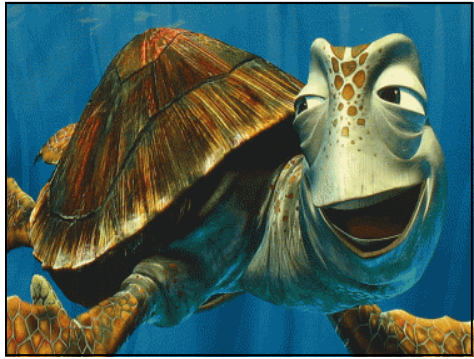

Clown Anemonefish

I provided a black and white anatomy image if you want your child to color it, or a colored one if you just want to discuss the anatomy.

A photo of a clown fish for decorating your lapbook

Cut out and glue onto popsicle sticks for puppets while reading Finding Nemo Book:

House: Anemone

Crush: Sea Turtle

Brutus: Shark

Jelly Fish

Angler Fish

Dory: Blue Tang

Nemo: Clown Fish
