Color Word Flashcards!

I've provided you with black and white coloring pages so you can have your students color each word using the correct color. I've also given you pre-colored cards that you can use as flashcards or wall décor!

This download also includes colorful balloon color cards that you can use as a bulletin display in your room, or as indicated below!

Uses:

1. Print and hang on your wall to help students remember how to spell each color word.
2. Play color hopscotch: Lay the cards on the floor and call out colors for your student to hop to. OR: Have students say each word as they hop on the card.
3. Use the blank color cards as flashcards to quiz your students on color words.
4. Use the blank color cards as coloring worksheets, having students color the word the correct color.
5. Print out balloons on cardstock and laminate them, then cut them out. Hang them on the wall with coordinating yarn as the strings for a fun color bulletin display!
6. Cut the color word balloons into several pieces, and have students put them back together for a challenging puzzle!
