Sew two D and A squares together as shown.
Make 4.

Draw a diagonal line from corner to corner on the wrong side of all C and E squares.

Place a C square right side down on to an F square. Sew $1 / 4$ " seam on both sides of the drawn line. Cut the square in half along the drawn diagonal line and press. Make 4 half square triangles. Trim to 5 " x 5 " or 3" x 3". Repeat with remaining C and F squares.

make 4

Draw a diagonal line from corner to corner on the wrong side of the C/F HST. Place an E square and a C/F HST right sides together making sure seams line up as shown. Sew along the diagonal line. Trim 1/4" away from stitch line and press.
Make 4 identical blocks and trim to
$4-1 / 2^{"} \times 4-1 / 2$ " or $2-1 / 2^{"} \times 2-1 / 2$ ".

Using a B square, assemble block as shown below. Trim to $12-1 / 2$ " $\times 12-1 / 2$ " or $6-1 / 2$ " $\times 6-1 / 2$ ".
