Baby Quilt Assembly:

(To make other sizes, just adjust how many strips you cut and sew together as indicated in the cutting instructions on the previous page.)

Cut (5) 5-1/2" x WOF dark (A) strips

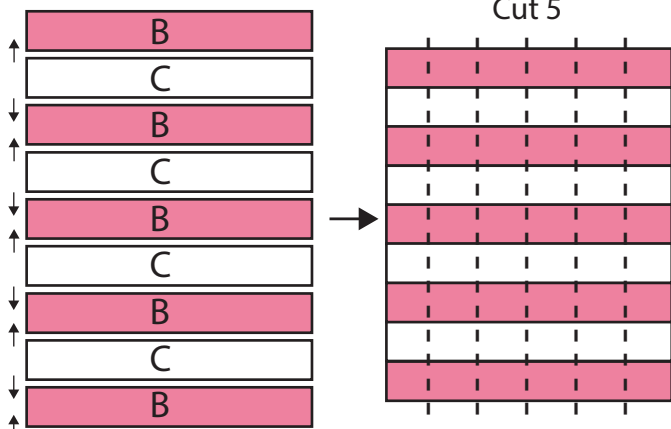

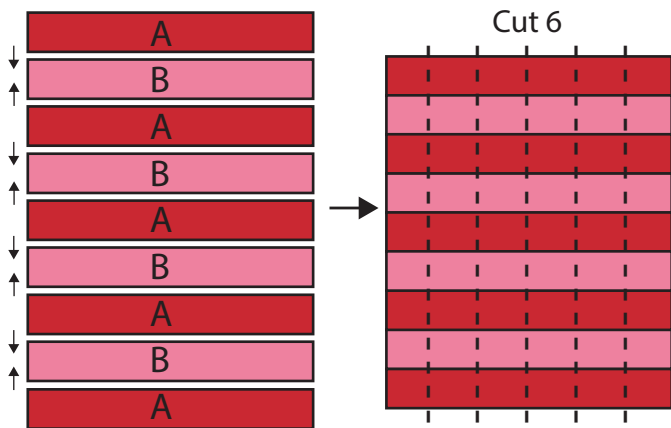

Cut (9) 5-1/2" x WOF medium (B) strips.

Cut (4) 5-1/2" x WOF light (C) strips.

Sew five dark (A) strips and four medium (B) strips together lengthwise alternating dark (A) and medium (B) strips. Press towards the medium (B) print.

Sew five medium (B) strips and four light (C) strips together lengthwise alternating medium (B) and light (C) strips. Press towards the medium (B) print.

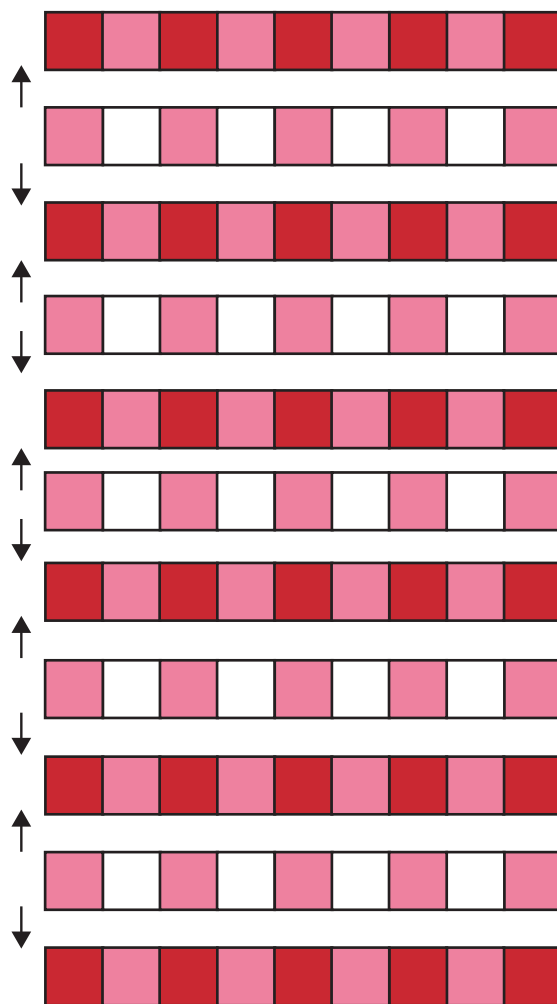

Cut six 5-1/2" strips from the medium/dark strip set. Cut five 5-1/2" strips from the medium/light strip set.

Assemble the quilt rows as shown below, pressing towards the dark rows. Your completed baby quilt will have 9 squares across and 11 squares down and should measure 45" x 55".

Sew binding (D) strips together end to end to create binding.

Baste, quilt, and bind as desired. If you need help with any of these, I have video tutorials on my YouTube to help you!

Standard Pillow Assembly:

(To make other sizes, just adjust how many strips you cut and sew together as indicated in the cutting instructions on the previous page.)

STANDARD SIZE :

(See cutting for Queen/King on first page)

Dark: Cut two 5-1/2" x WOF strips (A)

Medium: Cut four 5-1/2" x WOF strips (B)

Light: Cut two 5-1/2" strips (C)

Sew two (A) strips and two (B) strips together lengthwise alternating (A) and (B) strips as shown below. Press towards the medium print.

Queen: Sew three (A) and two (B) strips.

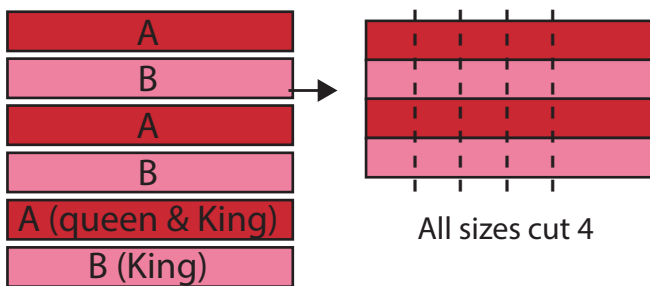

King: Sew three (A) and three (B) strips.

Sew two (B) strips and two (C) strips together lengthwise alternating (B) and (C) strips as shown. Press towards the medium print.

Queen: Sew three (B) and two (C) strips.

King: Sew three (B) and three (C) strips.

Cut four 5-1/2" x 20-1/2" strips from both the medium/dark strip set and the medium/light strip set.

Assemble four medium/dark rows and four medium/light rows together as shown below, pressing towards the dark rows. You will have a total of 8 rows down, and four squares across (twin), five across (queen), and six across (king).

Baste together with a white background (D) fabric and quilt using desired method. Trim excess backing fabric from pillow top.

Press the cuff fabric in half lengthwise with wrong sides together. Unfold the cuff strip and lay it right side up on the table. Layer the quilted pillow top right side down along on the top edge of the cuff, making sure there are only 8 squares across the cuff edge, and pin.

by Erica Arndt

Carefully roll the rest of the gingham unit up towards the top pinned edge, stop rolling when you are about 2" away from the top edge.

Fold up the remainder of the cuff fabric and pin the cuff along the top edge so that the cuff layers are right sides together and the pillow is rolled up between. Pin all three layers (cuff, gingham, and cuff) together. Sew 1/4" down the edge being careful not to sew through the rolled fabric, only the top edge..

Carefully pull the pillow out through one end of the cuff opening. Press the cuff. Optional: Topstitch along cuff to give it a finished look.

Fold the pillow in half WRONG sides together so it measures 20" x 26" (Queen: 20" x 31", King: 20" x 36"). Sew down the open side and bottom edge 1/4". Do not sew the cuff area closed.

Turn the pillow inside out and trim the seam to 1/8" from the stitch line. Sew down the edges again 1/4" just on the inside of the previous stitch line so the raw edges are contained in the seam. Turn right side out, press, and you are done!

I have a video tutorial on how to sew this method of pillow top on my YouTube Channel. Make sure to check it out here if you need more assistance!
