

Quilty Hearts

Quilty Hearts

Supplies		qty	w x h
Variety of Fabric scraps	A	5 or 6	1½" x 5"
Quilt Batting	B	1	5" x 5"
Backing	C	1	6" x 6"
Embroidery Floss	D	1	6 strands held together, cut to 7" long
Needle			
Pinking Shears			

Place the backing fabric (C) right side down. Layer the batting (B) on top. Place two (A) strips right sides together along the left edge of the quilt batting (B). Sew the two strips together along the right side using a ¼" seam making sure to sew through all of the layers. Fold the fabric open, and continue adding new strips in the same way until the entire piece of batting is covered. Feel free to quilt the top of the strips as you go as well!

Trace the heart template (see next page) onto the completed QAYG fabric. Sew along the drawn line, then cut around the heart shape using pinking shears.

Using 6 strands of embroidery floss (D), thread the floss through the top center of the heart. Tie in a knot at the top and you're done with your quilty heart ornament!

Make them in a variety of sizes! Larger ones are great for mug rugs, placemats, and bunting!
